

EASyView® Virtual Interview

TAKE CONTROL OF **YOUR TIME** AND **YOUR SCHEDULE.**

EASyView is the easiest virtual interview platform available! With a click of a button, EASyView leads candidates through the interview process in four easy steps. Candidates are given time to practice before recording their responses on their smartphone or any internet-enabled device. No special equipment needed! And since candidates can complete interviews from virtually anywhere, at any time, your access to the best new talent is expanded.

Designed for seamless integration with all leading applicant tracking systems, EASyView offers 24/7 access to easy-to-use tracking and reporting features. Once candidates complete an EASyView interview, you have instant access to their responses so you can quickly review and compare responses – or share responses online with other key decision makers. Given EASyView's efficiency, it's the ideal solution for prescreening candidates so you can focus your time on only the most qualified.
