

DISCOVER **VIRTUALLY EFFORTLESS** INTERVIEWING

EASyView makes it easy to livestream interviews and connect virtually with your best candidates. With EASyView's simple, intuitive interface you can manage your entire interview process from one easy-to-use dashboard.

Now you can schedule, invite, conduct, and evaluate face-to-face virtual interviews in real-time with our proven interview technology. Candidates can complete interviews from virtually anywhere using any smart device. Each interview is recorded and immediately available for playback, rating, and notes. Information is saved with the candidate's record and can be easily shared online with other key decision makers.

EASyView supports multiple interviewers and is designed for seamless integration with all leading applicant tracking systems. For highest efficiency, many of our clients use our automated interviews to identify top candidates to invite for livestreaming interviews.
